

Welcome to Porters Grange Primary School & Nursery

Our School Routine

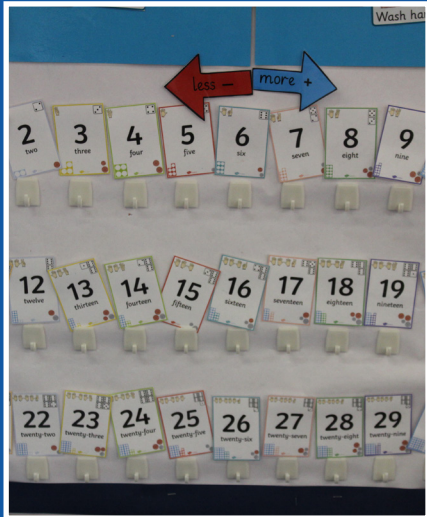

Our daily routine

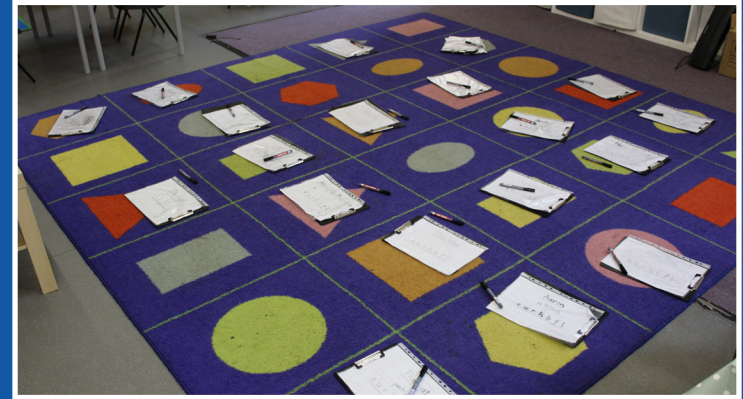

First, we enter our classroom through this door.

We then collect our key ring with our name and face on.

We hang the key ring on a number on the number line in our classroom.

After, we sit on our carpet spaces ready for our carpet session.

Once our carpet session has finished, we have the choice to play indoors or outdoors. Our teachers teach us through play at this time, it's really fun!

We then line up for our lunch and play in the KS1 Playground.

Again, we then have the choice of playing indoors and outdoors.

Once we have finished our lunch and outdoor play, we then sit on the carpet for another carpet session.

After our fun filled day, it is time to go home!
