Step Back in Time: A Stone Age Experience

Dear Parents and Carers,

On the 9th November, as part of our history topic on the Stone Age, we are delighted to welcome a special visitor to school who will help bring this fascinating period of history to life for the children.

During the day, the children will meet a visitor portraying a person from the Stone Age and will have the opportunity to learn first-hand about how people lived thousands of years ago. Through interactive activities, storytelling, demonstrations and discussion, the children will explore aspects of daily life including food, shelter, tools, clothing and survival. This exciting experience will support and enrich their classroom learning while helping them to develop a deeper understanding of this important period in history.

To help cover the cost of providing this valuable educational experience, we are asking for a voluntary contribution of £5 per child. Although no child will be excluded from taking part if a contribution is not made, we must stress that the event may not be able to go ahead if insufficient contributions are received.

Payments can be made on Arbor under the Activities/Trips area.

Thank you for your continued support. We are sure the children will enjoy this unique opportunity and gain a memorable insight into life during the Stone Age.

Yours sincerely,

Year 3 Teachers
