

Porters Grange Primary School

School Minutes - 1.11.2018

-  A register was taken. Thank you to the councillors that attended.
-  Eco and School councillors have had their badges handed to them, any councillors unable to attend will have badges handed to their classes.
-  Mrs Chaplin attended the council meeting today to discuss and listen to feedback about snacks at break time – councillors thought some of the prices were too high and discussed some new products they would like to see. They also discussed raising money by fundraising so the price can be brought down.
-  The councillors would like to see a plot of land where they could grow and sell their own produce at snack times and Yr5 and 6 would be happy to begin selling snacks at break times on a rota basis.
-  Yr 4 councillor suggested a first aider to be on duty on the playground to deal with injuries.
-  Briefly spoke about the 'bring and buy' sale and councillors agreed that a lucky dip would be a good idea for items of lesser value.
-  Miss Baylis suggested councillors help with the stalls and organising items for sale one afternoon.
-  Lastly the councillors have suggested a meeting with the Heads of School to discuss matters that are important to them.
